## Financial Policy

Drs. Miller & Beitz are committed to providing the best treatment and service for our patients. Your clear understanding of our financial policy is very important to our professional dental relationship and must be reviewed and signed prior to treatment.

**Full payment is due at the time of service unless previous arrangements are made with our business office.**

**All payments are due at the time of service.**

**We accept Cash, Personal Checks, Visa, MasterCard, Discover and CareCredit.**

**Insurance** – We are a non-participating provider for all insurance companies. Your insurance and personal payment portion is your responsibility. As a courtesy, we will file claims to your insurance company. This means that at the time of service we will require the difference of your insurance company’s expected payment and our charges. Our staff will explain the good faith payment for each of our services. **Please note our fees are not negotiable on any service regardless of your insurance company’s arbitrary determination benefits.**

- **Medicare** – We are non-participating providers for Medicare. This means we are not able to submit Medicare claims, nor is the patient able to submit claims for any services rendered in this office.

**Financial Arrangements** – Financial arrangements must be determined before any treatment begins and will only be extended to patients having periodontal treatment over \$1,000.00. Fees and time frame will be discussed prior to beginning treatment. We have several options available which will be discussed when you meet with a treatment coordinator.

**Broken Appointments/Short Notice Cancellations** – A phone call and/or letter will be extended to patients who do not show for their appointment. We request a 24-hour notice if you are unable to keep your scheduled appointment. We reserve the right to charge and collect fees for appointments that are canceled or broken without 24 hours advanced notice. Appointments are reserved exclusively for you. If canceled or broken, the time is taken away from other patients who are waiting to be placed in our schedule.

After the first broken appointment, a notice will be given stating the procedure that will be followed in the future. After the second consecutive broken appointment, a missed appointment fee will be assessed to your account.

**Agreement** – I understand that I am financially responsible for all charges. I understand that payment in full is due within thirty (30) days after the first billing. I agree and understand that a FINANCE CHARGE of 1.5% per month will be applied on any balance over sixty (60) days past due, which is an ANNUAL RATE of 18%. **I understand that in the case of insufficient funds, a returned check fee of \$30.00 will be assessed.** Should this account be referred to our attorney or a collection agency, I agree to pay all collection and/or court costs, including attorney’s fees plus the total indebtedness.
